

THE AMERICAN AWAKENING

outreach training outline

2 Reasons why people don't share their faith:

1. Fear
2. They don't know how to, effectively.

5 Guidelines:

6. Smile ridiculously!
7. Pray with EVERYONE. First time salvation or Rededication (on a scale from 1 to 10, where would you rate your relationship with God right now?).
8. Don't argue.
9. We can't force anything on anyone.
10. Leave your "Christianese" in the church building.
